

Hello,

Here is the schedule for June, July, and August. If you know anyone who would like to serve please let me know so I can get them on a rotation!

Please remember these things:

*If you are not going to be able to do your spot, it is your responsibility to get someone to switch with you or find a replacement. We put the numbers of the workers on the schedule so it will be easy to contact them!

*Make sure and ask for the parent's sticker when they are coming to pick up their child. Then please remove the sticker from the child's back before the parent takes them.

*You need to be at your assigned spot at least 15 minutes before your scheduled time. Please try to be on time. This helps everything go a whole lot smoother.

*If you need something and you can't find me, there are supplies in the cabinets in the kitchen labeled children's ministry. Feel free to get what you need.

*If you are interested in teaching a small lesson during your scheduled time, please contact me the week of and I will make sure to have a lesson ready for you!

Please call, text, or email me if you have any questions and I would love to help you. Thanks again for your dedication!

Blessings,

Britney Ables
